

Summer Is Coming!

Summer is coming, I can't wait.
Days on the beach, having fun.
Laughing like a hyena, swimming, in the sun!

Summer is coming, I can't wait.
Ice creams, barbecues as hot as the sun, and yummy things to eat!
Sunbathing, and playing in the heat!

Summer is coming, I can't wait.
Butterflies, bees, and summer flowers.
Running like a cheetah, biking, for hours and hours!

Summer is coming, I can't wait.
Trips, theme parks, and days out.
Family time, excitement, this is what life is all about!

Summer is coming, I can't wait.
Holidays to Spain, off we fly.
Speeding, jetting, through the blue sky!

Summer is coming, I can't wait.
Shorts, T-shirts, and no coats.
Waves, gulls, and red sails on the boats!

Summer is coming, I can't wait.
Wind, snow, falls like a waterfall for so long!
But now, gentle breeze, and summer smells
Are so strong!

Summer is coming, I can't wait.
Six weeks off school, and staying up like an owl!
When summer is over, the thought of that I do hate!
